# The INTENTIONAL COMMUNITY PRESERVE

AT RED ROVER MINE | WILDLY BENEFITING ALL

Providing an immersive experience into the inner workings of holistic land management, The Preserve is more than simply a place, it is an intentional community that awakens the best in the human spirit and cultivates the extraordinary potential that exists in us all.

Offering guests and participants the opportunity to heal, grow, build and contribute as good citizens, The Preserve, is a commitment to the education, preservation and protection of Arizona's Sonoran Desert and Wildlife, while supporting the needs of Arizona's foster youth and our local community.

## LEARN

### Healing Earth Education Center

Open to the public. Concierge Welcome Desk, Interactive Learning Exhibits, Gift Shop, Donor Wall, Board Conference Room & Conference/Flex Space

### Cottontail Trails Center for Self-Reliance

Inspiring young people to change the world through their personal choices and right actions. This all inclusive private specialty school, serves Arizona foster youth Grades 6th - 12th. The Preserve is the applied learning space for this outdoor learning experience, which is also supported by the Healing Earth Education Center.
